Tenure: 2023-24

1. Introduction

Welcome to Wayand House!

We are one of the 12 houses comprising students pursuing the undergraduate degree in Data Science and Electronic Systems at IIT Madras. Named after the Wayanad forest of Kerala, we are a community of 2.5k diverse students from all corners of the country, as diverse as the flora and fauna of the Wayanad forest. This report highlights the activities, achievements, and progress of Wayand House during the tenure of 2023-24, under the leadership of [Lucky Deol], the Group Leader.

2. Objectives and Goals

- Outline the objectives and goals set at the beginning of the tenure.
 - Emphasis on fostering community spirit, academic excellence, and overall student well-being.
-

3. Key Activities and Initiatives

a. Meetups and Networking Events

- **Online Meetups:** Conducted several online meetups to ensure regular interaction and community bonding despite any physical restrictions.
 - **Frequency:** Monthly
 - **Topics Covered:** Academic support, mental health awareness, career guidance, etc.
 - **Guest Speakers:** Invited alumni and industry experts to share their experiences and provide guidance.

b. Academic Support

- **Study Groups:** Formed study groups for various subjects to encourage collaborative learning.

c. Communication and Information Dissemination

- **Regular Updates:** Provided regular updates and relevant information to students via emails and social media.

d. Social and Cultural Activities

- **Guidance for PARADOX:** Guided students throughout the PARADOX event whenever they needed assistance.

e. Community Building and Welfare

- **Volunteer Programs:** Encouraged students to participate in volunteer programs and community service projects.
 - **Feedback Mechanism:** Established a feedback mechanism to address student concerns and improve house activities through social media.
-

5. Challenges Faced

- **Participation:** The number of students that were present in the meets was quite low as they showed less interest in the House meetups. Efforts were made to encourage participation several times, but the response remained the same.
-

7. Conclusion

- Reaffirm commitment to the growth and well-being of the Wayand House community.

Dear Members of Wayand House,

I hope this message finds you well. I would like to extend my sincerest apologies for not being able to provide the screenshots of our monthly meetups. As part of our regular process, I delete these screenshots after submitting the monthly reports to ensure we maintain a clean and organized record-keeping system.

I understand the importance of keeping these records and acknowledge that this might have caused inconvenience. I assure you that moving forward, I will ensure to retain such records for reference and documentation purposes.

Thank you for your understanding and continued support.

Warm regards,
Lucky Deol
Group Leader (501), Wayand House
IIT Madras
