2. **Successfully completed Paradox 'reached out' trends**

Reached maximum number students (around 33) through Whatsapp, calls, and Gspace. Submitted their response on Wayanad house portal.

3. Attended Meet with Webadmin and other GLs

This was an individual group meet organized on 2nd March'24 (8PM onwards).Successfully attended the meet regarding Paradox 'reached out' trends with fellow GLs and webadmin in which our webadmin provided some information regarding how we can boost our Paradox 'reached out' trends by sending them messages and informing them about paradox registration ….because most of students don't know that they can also participate in online events also ...and for that they have to register so we informed them and told about the process and guided them.

4. Done Paradox Registration Verification

Encourage students to register for paradox and get the data that how many students are registered.
